What a great night Saturday night, we came for dinner with friends. Seeing you and the staff, the food was outstanding, as was the service. It is always such a good time. We had a great evening celebrating Valentine's Day, one day early. We thank you all.

Martino, thank you so much for such a wonderful retirement party today. Everyone had such a great time. My brother in law said he was telling a friend in SF about coming to the east bay for Italian food, and his friend said IF YOU ARE LUCKY, YOU'LL GO TO LA STRADA ! When my BILL said he WAS going to La Strada, his friend told him he had to get the Polenta! Your food and great service are known far and wide, with good reason. And now tales about your polenta will go back to Washington state, San Diego and all across the bay area.

- *Glorya N.*

You and your staff at La Strada did a great job last May making my mother's 95th birthday celebration a very special occasion! Thank you!

- *Marlene G.*

La Strada is - and has always been - the best of the best! I could eat your excellent polenta every day but dare not... And, your female waitperson (your one and only) is truly the greatest! My daughter is coming "home" for a few days' visit (from Tulsa) on Thursday and I'm so looking forward to turning her on to... your fabulous cruise. Thank God for the basics we take for granted; thank God for you and La Strada!!!

- *Bill Z.*

New Year's Eve at La Strada in San Pablo! Great service and great food. We celebrated my Birthday and had a great time.

- *Brian S.*

Great food, great atmosphere! As I've been dining there since we moved here from Miami, friends introduced us to La Strada, and it's been 7 1/2 yrs now. Had my son's 18th birthday celebration there in Oct and everyone LOVED the food! Thanks for such great service, and thanks to Gino who knows what I like as soon as we sit down! Thanks

- *Marcia L.*

We have been going there since it opened. It is our favorite Italian food place in the whole bay area. The service and the food are the best.

“We held a fund-raising event for the typhoon victims of the Philippines, local youth projects AND for the earthquake victims of Haiti. La Strada catered the event, and we were very pleased with the food: Martino’s Shrimp Cocktail and Meat Balls Platters were a HUGE hit. Table after table, people were asking for more of them! La Strada has done an incredible job with the catering, and generously sponsored the event as well. For that Fil-Ams of Hercules and the City of Hercules are truly grateful!”
